

WORLD COMMITTEE FOR HEALTH AND MEDICINE PARADIGM CHANGE

On the side of the person, on the side of the truth, on the side of life

CONSTITUTIVE ACT

1. In the light of:
 - a. the loss of the Medicine objective ethical paradigm resulting in crimes against human life as abortion, euthanasia, assisted suicide, hidden mass sterilization campaigns, the political power-induced loss of individual freedom based on public health reasons and the omission of prevention policies only favouring the world health business;
 - b. the absence of free primary and hospital health care for all;
 - c. the biological science and humanities Person-centered -based paradigm change of Medicine, bio-medical science, medical education named: *“Person Centered Medicine”* (PCM), published in 1999, overcoming the obsolete, wrong, deterministic, mechanistic approach to clinics, and prevention;^{1 2 3}
 - d. the PCM-derived new health paradigm :*“ The choice of best possibilities for being the best human person”* presented in WHO on 4 May 2011;^{4 5}
 - e. the world medicine and health ethical and epistemological paradigm: *“ La Charte Mondiale de la santé-the World Health Charter”* (CMS-WHC) ;⁶
 - f. the WHO and most public health national system omission to prevent the COVID-19 and other pandemics of communicable and non-communicable diseases because of the ignorance about

WORLD COMMITTEE FOR HEALTH AND MEDICINE PARADIGM CHANGE

On the side of the person, on the side of the truth, on the side of life

the Person-Centered Medicine paradigm and scientific ignorance responsible for millions of deaths ;

The University Ambrosiana⁷ Milan School of Medicine⁸ ,the Italian National Health Committee⁹, the Person- Centered Medicine International Academy ,the International Committee for CMS-WHC,¹⁰ the World Federation of Adolescentology , the Italian Society of Adolescentology and Adolescence Medicine,¹¹ institute the International Committee for Health and Medicine Paradigm Change (WCHMPC);

2. Aims of WCHMPC are

- a. to constitute National Health Committees addressed to institute in public health, in medical education, in biomedical research the Person- Centered Medicine paradigm according to the ethical and epistemological paradigm of CMS-WHC and the Universal Declaration for Freedom and Dignity;
- b. to promote individual adhesions in countries to CMS-WHC and orient medical education to Person-Centered Medicine , Person-Centered Clinical Method and Medical Counselling and related research according to the successful University Ambrosiana Milan School of Medicine quality procedures introduced in clinics and teaching since 1995¹² ;
- c. to contrast the ethical decay of medicine resulting in abortion , assisted suicide, euthanasia induced by physicians who betray the Medicine meaning and bio-technological involution of prevention, clinical method and research, while considering biotechnology utility, but only as a tool, not a sense;
- d. to cooperate with WHO, and countries health ministries to orient public health to Person-Centered Medicine.

On the side of the person, on the side of the truth, on the side of life

3 WCHMPC structure and adhesion

- a. WCHMPC is composed of individuals and institutions who adhere to CMS-WHC and the WCHMPC constitutive act, and by health organizations that adhere to CMS-WHC ;
- b. The WCHMPC members of the same country gather in Health National Committees (HNC) to constitute a lobby pressure on countries governments for orienting health systems to Person-Centered Medicine, activate medical education update, contrast laws against rights to health and life. *The individual and institutional adhesion must be formalized by an adhesion letter to CMS-WHC principles and the WCHMPC constitutive act sent to adhesion@healthparadigmchange.it*¹³
- c. Health National Committees (HNC)©, whose institution must be registered by the WCHMPC secretariat are composed of at minimum three persons. The HNC directional structure is articulated in the following roles: President, Secretary, communication manager. Each continent gathers registered HNC . The HNC of the continent with the highest number of members represents it in the board.
- d. WCHMPC is addressed by a board composed of prof Giuseppe R.Brera (founder –President and medical education director-Italy), prof. Claudio Violato (scientific director -Canada) , prof. Richard Fiordo (health communication director-USA), one delegate of HNC for each continent, the international secretariat (Monica Rosales - Mexico-Canada), and one three year delegate of adhering international health organizations.

The seat of WCHMPC is Italy: provisionally at the University Ambrosiana direction Vle Romagna 51, Milan, Italy.

Web site of WCHMPC is www.healthparadigmchange.it

International Secretariat (Canada) : mrosales@healthparadigmchange.it
